#### 5.3 Postpetition utility monthly payments.

The provisions of Section 5.3 are available only if the utility provider has agreed to this treatment. These payments comprise a single monthly combined payment for postpetition utility services, any postpetition delinquencies, and unpaid security deposits. The claim payment will not change for the life of the plan. Should the utility obtain an order authorizing a payment change, the debtor(s) will be required to file an amended plan. These payments may not resolve all of the postpetition claims of the utility. The utility may require additional funds from the debtor(s) after discharge.

#### Part 7: Vesting of Property of the Estate

7.1 Property of the estate shall not re-vest in the debtor(s) until the debtor(s) have completed all payments under the confirmed plan.

#### Part 8: General Principles Applicable to All Chapter 13 Plans

- 8.1 This is the voluntary chapter 13 reorganization plan of the debtor(s). The debtor(s) understand and agree(s) that the chapter 13 plan may be extended as necessary by the trustee (up to any period permitted by applicable law) to insure that the goals of the plan have been achieved. Notwithstanding any statement by the trustee's office concerning amounts needed to fund a plan, the adequacy of plan funding in order to meet the plan goals remains the sole responsibility of debtor(s) and debtor(s)' attorney. It shall be the responsibility of the debtor(s) and debtor(s)' attorney to monitor the plan in order to ensure that the plan remains adequately funded during its entire term.
- 8.2 Prior to the meeting of creditors, the debtor(s) shall comply with the tax return filing requirements of 11 U.S.C § 1308 and provide the trustee with documentation of such compliance by the time of the meeting. Debtor(s)' attorney or debtor(s) (if pro se) shall provide the trustee with the information needed for the trustee to comply with the requirements of 11 U.S.C. § 1302 as to the notification to be given to Domestic Support Obligation creditors, and debtor(s)' attorney or debtor(s) (if pro se) shall provide the trustee with the calculations relied upon to determine the debtor(s)' current monthly income and disposable income.
- 8.3 The debtor(s) shall have a duty to inform the trustee of any assets acquired while the chapter 13 case is pending, such as insurance proceeds, recovery on any lawsuit or claims for personal injury or property damage, lottery winnings, or inheritances. The debtor(s) must obtain prior court approval before entering into any postpetition financing or borrowing of any kind, and before selling any assets.
- **8.4** Unless otherwise stated in this plan or permitted by a court order, all claims or debts provided for by the plan to receive a distribution shall be paid by and through the trustee.
- 8.5 Percentage fees to the trustee are paid on receipts of plan payments at the rate fixed by the United States Trustee. The trustee has the discretion to adjust, interpret, and implement the distribution schedule to carry out the plan, provided that, to the extent the trustee seeks a material modification of this plan or its contemplated distribution schedule, the trustee must seek and obtain prior authorization of the court. The trustee shall follow this standard plan form sequence unless otherwise ordered by the court:
